Rationale for Proposed Boundary Changes: The Eliot-Hine MS boundary is made up of the proposed boundaries of the elementary schools designated to feed geographically into Eliot-Hine.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundaries for Maury ES, Miner ES, or Payne ES is zoned for and have a right to attend Eliot-Hine MS and Eastern HS. Fifth grade students at School-Within-School at Goding and any student attending a feeder elementary school out-of-boundary has the right to continue in the feeder pattern to Eliot-Hine. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
